* Don't ever think you're nothing or mean nothing to nobody. You guys are everything. Without your guys bravely and tough fight we wouldn't have the freedom & everything we have today. Cherish that you are walking on this beautiful earth because I wish I still had my father here more than anything. I wish you a happy & peaceful life plus a healthy long life. I wish you healing from all the trauma you went thru

First things first I just wanted to Thank You for serving our country and protecting our freedoms. Thank You for bravely doing what you were called to do so we can safely do what we're free to do. All veterans mean a lot to me because I have a father that was once a veteran but sadly we lost him last year of January. So I understand the feeling of seeing & being with someone who struggled & addictions & problems every veteran has dealt with coming home.

We would like to thank you for serving in the Vietnam War. My class spent about a month working on & researching the Vietnam War. I found this war interesting & enjoyed doing so. I want to thank you for everything. For anything & everything that you have served in. We love & appreciate you so much!

Thanks for fighting for our country. Can't imagine what you guys had to go through. Dealing with trauma or PTSD must've been hard. Once again thank you for everything you guys had done for us.

Dear Vietnam Vet

This year in school we learned a little bit about the war, and everything you had to deal with over there. I just wanted to say thank you for your service, America would not be the same without you.

I wanted to say thank you to all of you who fought for my freedom & protecting our home: America. In my English III class we have been learning about the Vietnam War. Something I learned that stuck out to me was that most Vietnam Vet's didn't receive a hero's welcome home. Instead, you experience unkind words & actions from the people of this country. I feel extremely sorry for the trials & tribulations you went through. So with that, I thank you & love you with my whole heart!

Love,
Rylie Huff

Thank you for your service. I believe it is appropriate to thank you for what you did after learning more about Vietnam. We appreciate you!

-Sisseton High School Junior

we thank you for your service
out in the war fighting for everyones
life. You guys are strong for what
they have do. It takes alot to be
ready to risk your life and serve
for us 

You do a lot more than we think
on the battlefield takes bravery to
do what you guys do

in english 3 we studied the Vietnam war
and with national recognition day coming soon
i wanted to send my thanks. Vietnam
has a heavily conflicted war and not
all/more were shunned by Americans when
they made their return. we all believe
you deserve the thank yous you
deserved. And even that wouldnt
be enough to show all of our
Gratitude. I hope your doing well
in age and i hope everything
you wish happens.

Thank you, again, for fighting
and giving your all for the
Americans you didnt even know
but wanted to protect.

Thank you
